ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA.

30th June, 1896.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR
IN COUNCIL.

WHEREAS, owing to the lateness of the season, the depth of snow in the mountains is still very great, and thus prohibits many holders of claims on the higher ranges from performing the assessment work required by the Mineral Act during each year; and

Whereas it is desirable, with a view to obviate this difficulty, that an order granting discretionary permission to Gold Commissioners throughout the Province to extend the time for a period of sixty days for the completion of assessment work on such mineral claims as are at this date covered with snow and consequently inaccessible, be made;

On the recommendation of the Honourable the Minister of Mines,

His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the provisions of section 161 of the "Mineral Act, 1896,"

has been pleased to order, and it is hereby ordered, as follows, that is to say:—

It shall be lawful for the Gold Commissioners throughout the Province to extend the time for a period of sixty days, to date from the 17th day of July, 1896, for the completion of assessment work on such mineral claims as the Gold Commissioners have good cause to believe are at this time inaccessible, in consequence of the depth of snow which covers the said claims.

JAMES BAKER,
Clerk, *Executive Council.*

Whereas it is considered advisable that the entire Province, except City and Town Municipalities, should be brought within the provisions of the said Act;

Now therefore His Honour the Lieutenant-Governor, in virtue of the authority conferred by the said Act, and by and with the advice of His Executive Council, has been pleased to constitute, and does hereby constitute, the whole of the Province of British Columbia, with the exception of such portions thereof as are within the corporate limits of any City or Town Municipality, a Fire District.
